INFORMATION CONTAINED IN THIS REPORT ON FORM 6-K

On September 17, 2024, Polestar Automotive Holding UK PLC (“Polestar”) issued a press release announcing receipt of a notification letter from the Nasdaq Stock Market (“Nasdaq”) stating that the Company has regained compliance with the minimum bid price requirement set forth under the Nasdaq Listing Rule 5450(a)(1) (the “Minimum Bid Price Requirement”). A copy of the press release is attached hereto as Exhibit 99.1.

As previously announced, the Company was notified by Nasdaq on July 5, 2024, that the Company was not in compliance with the Minimum Bid Price Requirement as the bid price of the Company’s American depository shares (“ADSs”) closed below \$1.00 for 30 consecutive business days. In its notification letter, Nasdaq confirmed that for ten consecutive business days, from August 29, 2024, to September 12, 2024, the closing bid price of the Company’s ADSs has been \$1.00 per ADS or greater. Accordingly, the Company has regained compliance with Listing Rule 5450(a)(1).

**Polestar fully compliant with Nasdaq listing rules**

GOTHENBURG, SWEDEN – 17 September 2024. Polestar (Nasdaq: PSNY) has received notice that with the closing bid price of the Company's American Depositary Shares ("ADSs") exceeding \$1.00 for at least ten consecutive business days, Polestar has regained compliance with Nasdaq's Listing Rule 5450(a)(1). As previously announced, Polestar was notified by Nasdaq on July 5, 2024, that it was not in compliance with the minimum bid price requirement as the Company's ADSs had closed below \$1.00 for 30 consecutive trading days.

Per Ansgar, Polestar CFO, says: "Following the publication of our Annual Report on form 20-F in mid-August we regained reporting compliance. Clearing the remaining deficiency on the low bid price makes Polestar fully compliant with Nasdaq listing rules, and enables us to focus on business execution, as we ramp up deliveries of our two performance SUVs."

Ends.

About Polestar

Polestar (Nasdaq: PSNY) is the Swedish electric performance car brand determined to improve society by using design and technology to accelerate the shift to sustainable mobility. Headquartered in Gothenburg, Sweden, its cars are available online in 27 markets globally across North America, Europe and Asia Pacific.

Polestar plans to have a line-up of five performance EVs by 2026. Polestar 2, the electric performance fastback, launched in 2019. Polestar 3, the SUV for the electric age, launched in late 2022. Polestar 4, the SUV coupé transformed, is launching in phases through 2023 and into 2024. Polestar 5, an electric four-door GT and Polestar 6, an electric roadster, are coming soon.

The Polestar 0 project supports the company's ambitious goal of creating a truly climate-neutral production car by 2030. The research initiative also aims to create a sense of urgency to act on the climate crisis, by challenging employees, suppliers and the wider automotive industry, to drive towards zero.

Forward Looking Statements

This press release contains statements that are not historical facts, but rather forward-looking statements within the meaning of Private Securities Litigation Reform Act of 1995. Such forward-looking statements include those that address activities, events or developments that Polestar or its management believes or anticipates may occur in the future.
